

Unit/Theme: Force/Motion; 8<sup>th</sup> grade

Unit Questions: Science standards 1. a-f, 2 a-f

	Knowledge	Comprehension	Application	Analysis	Evaluation	Synthesis
Verbal		Name 3 examples for each of Newton's Law			Write/perform an interview w/Sir Issac Newton	
Visual	Draw a poster depicting one of the 3 laws					
Logical	Diagram each of the 3 laws of motion					
Naturalist			Demonstrate and explain one law as found in nature			
Musical	Write a rap that defines speed, velocity, acceleration					
Bodily						Build a model demonstrating a law
Intra					Keep a journal on the entire unit	
Inter				Examine laws through group discussion
